

# Agenda

## Coding Roundtable

Saturday, November 2, 2019

Middlesex Community College, Middletown, Connecticut

Chapman Hall, Room 808

9:30 – 10:00 Registration, Coffee and Networking

10:00 – 10:45 CPT Updates

*Learn what changes the AMA and CMS has in mind for 2020!*

Present by Rachael D'Andrea

10:45 – 11:30 OPPS Updates

*Better understand the direction reimbursement is taking and CMS's plans to implement change and contain costs and spending*

Presented by Jim Donaher

11:30 – 11:45 Break

11:45 – 12:30 Traditional Approach to E/M Coding

*Explore the more thorough and defensible, albeit time-consuming, approach to arriving at the most accurate code level*

Presented by Jim Donaher

12:30– 1:15 Changes to E/M Coding

*Learn about the changes already implemented and those still to come as CMS strives to simplify the process!*

Presented by Rachael D'Andrea

1:15 – 1:30 Break

1:30 – 2:30 Effective Auditing of E/M Coding with Exercises

*How to capture a thoroughly representative sample to uncover risk and identify lost opportunity!*

Presented by Rachael D'Andrea and Jim Donaher
